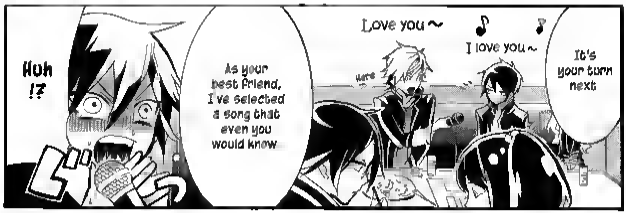
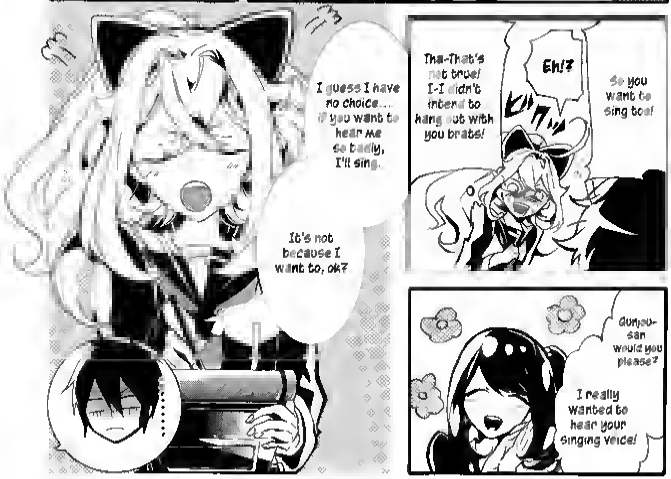
The Heart to Trust Comrades and Despair

Yaayy !!!
Hey! Hey! Shinnosuke-kun, are you excited?
カラオケ
Hey, Shinnosuke, you should try to have a little fun
I'm not in the mood.
Come Shinnosuke-kun let's sing a song together!!



Huh !?
As your best friend, I've selected a song that even you would know
Love you～
I love you～
Here
It's your turn next

Are you kidding?
Hey Gunjou, you say something to these idiots too-
Reck-less



I guess I have no choice... If you want to hear me so badly, I'll sing.
It's not because I want to, ok?
Tha-That's not true! I-I didn't intend to hang out with you brats!
Eh!?
So you want to sing too!
Gunjou-san would you please?
I really wanted to hear your singing voice!

Ah! Shinnosuke kun is holding a Mic! Is Shinnosuke-kun going to sing next?
Eh? N-no, this isn't what
Alright! I've been waiting for this!
I'll kill you—
Yay——!!
Uh
I won't sing, ok?
—I really won't sing, you know—?
I'm not joking

This time too, I have used my power to save the world!
I, am ...
The savior!!!

# 黙示録アリス

Even though in the last minute, Arisu Shimesuke was pretty unsightly
In today's exercise our class was able to success-fully read the labyrinth in the shortest time
Your performance was really good
You're deliberately doing this. What kind of trouble are you planning?
Your strength isn't at that level
No, I'm this strong. That's why I almost died
If it weren't for you, I would have died. The world would have ended. You saved the world.
Was given to me-
And yet all the credit,
Why are you two arguing?

You-!!
She's mad at me for being lazy and losing consciousness at the end.
うんうん
She's right, Shinnosuke.

I haven't been sleeping well lately.
This was only a rank 3 exercise, you know? How did you get into that situation?

Kishiro Shiro, Yuuyami Ikuu, Endou Yousuke, and Kiryou Kiri, the four of you had excellent strategies as well.
Along with Gunjou and Shinnosuke, as expected from the 「Hero Team」
Jeez. Mizuiro Gunjou, on the other hand, was wonderful today.
As expected of a member of the Mizuiro Family.

In that unexpected high level labyrinth born from the diseased girl Asahi Momoka, where even the smallest of mistakes could cost the lives of 3 million people in Kanagawa.

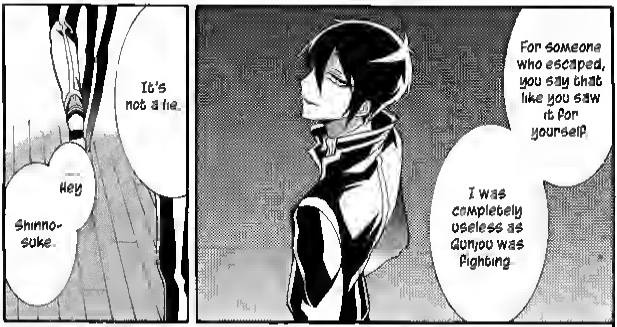
The six raiders who remained to the very end and cleared this labyrinth were given this team name

Hero Team,

Even though we're killing the true heroes, these suffering girls,

We're being called heroes, huh.

You got scolded by Gunjou again?
Is it really necessary to take these classes seriously?
You can earn more money if you perform well in class
So you would really rather give up all that money than let the school know your true abilities
You were the one who killed Asahi Momoka
12
It was all Gunjou
Gunjou isn't strong enough for that
You are leagues better than Gunjou There was really nothing she could do
So you are the only one who could have killed Asahi Momoka



It's not a lie.
Hey Shinno-suke.
For someone who escaped, you say that like you saw it for yourself.
I was completely useless as Gunyou was fighting.

Your enemy and my enemy may be one and the same.

Enemy
What are you talking about?
Answer me first.
I don't have any enemies
Hey now
Then who were those people I saved you from?
Last time, after that labyrinth raid
They were the special Magician Forces of Teikou Pharmaceuticals
Then, is Teikou Pharmaceuticals Shiro's enemy?
Laughs

I don't have the time to play those games with you
Maybe I was testing you?
It would be the same even if you did say it
I'm just not interested in you

I didn't say that.

I've always had a good personality
So I can't help but want to save the world

I believe you.
Huh?

Hey Shinnosuke
Why are you at this school?

You have the skills to work elsewhere.

From your actions in the labyrinth, I can tell you are a nice guy
I owe you my life
You saved Yousuke and Rimi's lives too,
Along with 3 million people in Kanagawa
So what?
You should have escaped Because if you had died in there
Your goals should have been nothing but fleeting dreams-
Even so, when we were attacked by Asahi Momoka, if you wanted to accomplish your goal
Escape should have been your only option

I've already proven my sincerity.
Hey, Shinnosuke, join us
I want to become your comrade just because I like you
I have the power to do a background check on you, but I chose not to
You're strong
But you can't win against us.
Then I'll take you up on that challenge.

キュッ
You're strong, but without friends it's not enough
You can't reach your goal, right? So come, take my hand
as a Friend, that is

You're really funny.
Ha.
I'll protect you.

I'll help you carry your burden
Let me into your dark world.

Shut up...
Believe me, Shinno-suke.

Hiei! Yousuke!
Don't use
your magic
I have to do this
alone

Let go of me.
I won't let go.
I've proven another point.
I firmly believed you would never kill me.
And I've shown that I would never attack someone I consider a friend
What are you talking about?
I don't have time to listen to your nonsense

My enemy is Kichijouji High.
I'm here to completely destroy this school.
It's nothing personal, just a mission.

Are our purposes the same?
Can we become partners?
.....
...IP...
That's the truth - after hearing your secret,
I say that we can't become partners, what will you do?

Then of course, I'll kill you.
I understand. I will join you.
Great. I believe you.
...Huh. That's weird. What reason is there to believe me?
Haha, that's because I know you're a good guy and you've saved my life.
Right, Yousuke?

The biggest reason why I could believe you was,
I... could register you on my friends list with the Intimate Switch, too.
That's right. You were worried about my injury back then.
Besides
When I said, 'kill the diseased girl', for a second, just one, you had a disgusted look on your face.
Did you know that?

Although I don't know your reasons for being here
It's for money
That's fine, I still think you're a nice guy
Shut up, asshole
There are very few people who can be trusted in this school
So please take my hand
